

Dear Commercial Film Producer,

During recent years, **60** production companies from **25** countries asked for quotes for production services from

athens
central

We got some jobs, we lost others but all producers come back and ask us to bid again for any suitable project they have.

And that's the biggest compliment we can get!

If you are interested in :

- Great weather with low precipitation all year round.
- Long daylight shoot days.
- Convenient short flights from all European capitals.
- 15.000 persons on-line database with multi Ethnic casting options; from North European types to Black and Asian.
- Experienced English speaking crews.
- A library with more than 100.000 pictures of a wide variety of locations, including several sport stadiums from the Athens Olympic Games.
- Table top expertise with motion control and mock up constructions.
- And last but not least, lowest rates in the Euro zone.

Send us your boards!

We will respond immediately with budget, location references and casting options.
